PUTTING IT RIGHT

The Commercial & Rural Insurance Brokers Ltd Complaints Process

Commercial & Rurals' goal is for clients to receive high quality advice & experience excellent customer service from our Brokers & Staff.

However, if you do have a complaint or concern, we want to hear from you.

We want the chance to put things right, and we want to know if there is something in our business that could be improved.

Resolving your concerns

When a concern or complaint is raised we understand the need for;

- Acknowledgement of your grievance and assurance that we will investigate
- An explanation of what happened and why
- A resolution that is fair to everyone
- An assurance that changes will be made to avoid future recurrence, where appropriate.

Commercial & Rural is committed to treating complaints seriously and resolving them as quickly and fairly as possible.

Your first point of contact
